Dear Parents,

We sure are having a great time at Wee Care! We have been watching the seeds that we planted grow, had graduation photos taken of our pre-k friends, have made some new friends and are now gearing up for summer.

Remember that Wee Care is a year-round preschool. If you will not be staying with us through the summer we do require a two-week written notice. Otherwise, we will plan on having your child for our fun filled summer program.

Thank you!  
Diane Martine

### Parking Lot

Please do not leave older/younger children in your car when you drop off/pick up. We have had several parents leave children in the car with it running when they are dropping off their children. Also, please remember that law requires car seats for all children less than 6 yrs and 60 lbs.

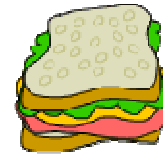

### Sign In and Out Sheets

State law requires a parent's *full signature* each time a child is dropped off and picked up from school. It is very important that we know which children are here every day, especially if there is an emergency. We have noticed a lot of parents are not signing in and out on a daily basis. Please remember to do so every day.

### *FOOD FROM HOME...*

Please keep in mind a few things if you choose to send food from home to school with your child:

Breakfast is served until 7:30am. We would prefer that children not bring breakfast in with them *after* this time since we will be either playing on the playground or having activities in our classrooms where we do not allow food. Morning snack begins shortly after 8:00am so no child will go hungry if they miss breakfast with us.

We do not include “desserts” or junk food items on our menus so we ask that you not send these types of items with your child. *Chips, cookies, donuts, candy, etc., are all foods that need to be saved for home. You will be asked to take these with you if your child has them at drop off time.*

Food may not be kept in cubbies, as we do not wish to have problems with bugs in our classrooms. All food from home must be clearly labeled with your child's name and dropped off in our kitchen. Food that is not clearly labeled will be thrown out.

Thank you in advance for your cooperation!
