Numbers:	1 one, 2 two
Shapes:	Circle and Square
Colors:	Red and Blue
Science:	Cooking with apples
Social Studies:	Role of Grandparents, National Hispanic Month

We are so excited to start the 2014-2015 school year together. This year will be full of fun and learning, friendship, wonder and excitement for the children. Please stop by the office with any questions or concerns and THANK YOU for entrusting your most precious commodity to us! Together let's make this a great year!

We need your help!

On Sunday, October 19, 2014 Wee Care Teachers will be participating in the *Making Strides Breast Cancer Walk* in Balboa Park. If you would like to make a donation, just look for a donation jar located in each classroom or you can log onto makingstrideswalk.org/SanDiego to make a donation.

Remember every penny counts!

Enrichment Programs

We offer various enrichment programs throughout the week. They range from \$42-\$48 a month.

Monday: Little Stars (Tap and Ballet)

Tuesday: Funastics (Gymnastics)

Wednesday: Webby Cheer

Friday: Amazing Athletes (Sports)

Just a reminder....

- **Keep Emergency numbers updated**
- **Every child needs to have a sheet, a blanket and a COMPLETE change of clothes**
- **Write your child's name on ALL articles of clothing**
- **SLOW DOWN while driving in the parking lot**
- **Try to have your child here by 9 AM for snack and circle time**
- **Check your child's art folder and your parent pockets on a daily basis**

Dates to remember:

9/1 School closed
9/7 Grandparents Day
9/10 Scholastic orders due
9/26 Johnny Appleseed Day

HAPPY GRANDPARENT'S DAY TO ALL THOSE WONDERFUL GRANDPARENTS OUT THERE THAT MAKE OUR LIVES EASIER!

Don't forget to like us on Facebook to be able to see all the fun activities going on throughout the school.

How are we doing?
Don't forget to review us on Google or Yahoo 😊

Playful Lessons

When your child is leaping through puddles or wielding an imaginary wand, she's not just having a good time; she's setting the stage for learning. Check out the educational benefits of some common preschool activities.

Sorting-Grouping buttons by color or stocking the shelves of a pretend supermarket by food category helps kids learn to recognize patterns, a key component of mathematics.

Water Play-When they drop ice cubes into a tub of warm water, pour liquids from one container to another, or play with the stream from a hose of a faucet, children are figuring out flow and motion, two basic physics concepts.

Make-Believe- Imaginary play enhances language skills and vocabulary, while pretending to be a cashier can instill early addition and subtraction skills.
