## June 2015 *Happy Father's Day!*

**Social Development- Father's Day, Our Favorite Things, Graduation**

**Writing Skills- End of the year review all letters & numbers**

**Review all colors & shapes**

**Jungle**

**Seasonal- Beginning of summer**

Dear Parents,

Summer is going to be a lot of fun for all of our preschoolers this year. The staff of Wee Care are looking forward to some warm summer days with lots of special activities to keep the children engaged.

During the summer months (mid-June through the September 4) you will receive monthly activity calendars in your parent pocket that will make you aware of special themes and events the teachers have planned. You will want to check your calendar daily since some days may involve needing to dress in a certain color or manner (pajama day), or a certain item might be requested from home (bring a teddy bear for our teddy bear picnic).

As summer progresses we will begin to lose students as they leave us for kindergarten (*please make us aware of your last day at least two weeks in advance if this pertains to you*). As space opens up we

may begin to move some of our current preschoolers up into their new classrooms. When we are ready and able to move your child you will receive a letter in your parent pocket *in advance*.

As always, I welcome your input and comments. My door is always open and my phone number is 858-560-0985.

Sincerely,  
*Diane Martine*
