Dear Parents,

We have been having a great time at Wee Care! We have been watching the seeds that we planted grow, had graduation photos taken of our pre-k friends, have welcomed some new friends to our program, and are now gearing up for summer.

Keep in mind that Wee Care is a year-round preschool. If you do not plan to stay with us through the summer we do require a two-week written notice. Otherwise, we will plan on having your child for our fun-filled summer program.

Thank you!
Diane Martine

Dear Families,

Good news! This month's Scholastic Reading Club flyers are ready for you to explore with your child. Children read more when they choose their own books, so I encourage you to look at the flyers together. Each flyer is filled with grade-specific, affordable titles and Storia® eBooks. Place your order online at scholastic.com/readingclub or return the order form and payment to me. Flyers are available on our front desk so pick one up today! If you do not pick up a flier you can still place an order online.

SUNBLOCK

Spring will bring to us stronger rays of sunshine. Please consider applying sunblock to your child each morning before arriving at school. If you are interested in having sunblock reapplied to your child in the afternoons please complete and return a Sunblock 2016 form. Forms are available at the front desk and in the big side kitchen.

DEAR PARENTS:

If you keep your child home from school for any reason, please tell your child's teacher in advance or call or email our school office. We have an answering service 24/7 so you can call day or night and even on weekends.

We plan for your child to arrive each day that he or she is scheduled to attend and this includes preparing lunch. It is very helpful (and cuts down on wasted food!) if we know how many children to plan for.

This is good practice for elementary school when it will be required that you call when your child is out 😊

Thank you!

We will be celebrating our moms with a special day on Friday, 5/6/16. We will have muffins, coffee and fresh fruit for our wonderful moms in the front lobby (by the school office) from 6:30AM - 9:30AM. Please make sure you stop by with your child in the morning.

If you give a mom a muffin...

She'll want a cup of coffee to go with it.

She'll pour herself some.

Her three year old will spill the coffee.

She'll wipe it up.

Wiping the floor, she'll find dirty socks.

She'll remember she has to do laundry.

When she puts the laundry in the washer.

She'll trip over boots and bump into the freezer.

Bumping into the freezer will remind her

She has to plan for dinner.

She will get out a pound of hamburger.

She'll look for her cookbook

("101 things to do with a pound of Hamburger")

The cookbook is sitting under a pile of mail.

She will see the phone bill is due tomorrow.

She will look for her checkbook.

The checkbook is in her purse

That is being dumped out by her two year old

She'll smell something funny.

She'll change the two year olds diaper

While she is changing the diaper the phone will ring.

Her five year old will answer and hang up.

She'll remember she wants to phone a friend for coffee.

Thinking of coffee will remind her that she was going to have a cup.

And chances are...if she has a cup of coffee. Her kids will have eaten the muffin that went with it!
