Welcome to Wee Care

I would like to welcome all of our families to our 2016-2017 school year! We have grown tremendously as a school and we welcome all of our new families and look forward to a wonderful school year together! During the next school year, your child will enjoy many new learning opportunities and experiences. Our well-trained teachers have many years of experience working with children of all ages and are looking forward to getting to know all of our families. If you ever have any questions or comments, we are always here to listen!

September Birthdays!

Teacher of the Month!

This month's Teacher of the Month is Miss Michelle! Miss Michelle is our preschool teacher, but has been an instrumental part in getting all of our classrooms set up and has been absolutely wonderful helping out in every classroom. She joins us with many years of experience, both as a teacher and as a mother. When she is not at work, she enjoys taking her son to the zoo. We are very fortunate to have Miss Michelle as one of our Wee Care teacher!

Enrichment Programs

As we continue to grow as a school, we will be introducing enrichment programs. These are run through outside vendors and the prices may vary. In the middle of the month, we will be hosting a free trial class of My Music Workshop for our preschool children. More info to come!
