Summer at Wee Care!

Summer is going to be a lot of fun for all of our children. The staff at Wee Care are looking forward to some warm summer days with lots of special activities to keep the children engaged. During the summer months (late -June through the September 1) monthly activity calendars will be posted in the classrooms and online that will make you aware of special themes and events we have planned. You will want to check this calendar daily since some days may involve the need to dress in a certain color or manner (pajama day), or a certain item might be requested from home. As summer progresses we will begin to lose students as they leave us for kindergarten (please make us aware of your last day at least two weeks in advance if this pertains to you). As space opens up we may begin to move some of our current preschoolers up into their new classrooms. When we are ready and able to move your child you will receive a letter in your parent pocket in advance.

Credit Card Convenience Fees

As of July 1, a 3% convenience fee will be applied to all credit card accounts. If you currently use a debit card as your method of payment, please make sure you show it to me to avoid the 3% being charged to your account. In order to change your payment method, please fill out an ACH Authorization form, located next to the sign in computer. For any questions, please ask the office.

Happy Anniversary!

July 11 will be the one year anniversary of the opening of our school! We would like to thank all of our parents for all of the love and support they have given up. It has been a busy year and we are so blessed to have so many wonderful families with us!
