## Holidays

So many holidays in December  
Here's a poem to help you remember  
First there's Chanukah, Festival of Lights  
A Jewish tradition that lasts eight nights.  
In Sweden we have Saint Lucia's Day  
The girls in white serve buns on trays.  
Travel to México for Las Posadas  
With fiestas, parades, food and piñatas.  
Now for a holiday from the USA  
Lots of kids excited for Christmas Day  
With Christmas Trees, presents, lights on the wall  
Good will to men and peace to all.  
This next holiday will end December  
A time that African Americans remember  
At Kwanzaa presents are made by hand  
Candles are lit on a mat they stand.  
That's the end of our December  
Hope this helps you to remember!
