Valentine's Day

We will be celebrating Valentine's Day in each of our classrooms on February 14. Each classroom has something special planned, please check with your child's teacher to find out what fun they have in store!

Spring Picture Day

Our spring picture day is quickly approaching! We are scheduled for March 12 and 13. Please keep in mind we will not be able to change your child into their pictures clothes, but are happy to change them out after they have had their pictures taken. More details will come out soon!

Snacks—nut free and no candy

Parents are welcome to send in their own food for snacks and lunches, but to ensure the safety and health of all of our children, please keep the following in mind. *Food from home must not contain any nuts. We do not serve nuts at our school and because we may have children with life threatening nut allergies, food from home must be nut free. *Any food brought from home needs to be in a lunch bag that is labeled with your child's name and what meal it is for. We cannot have food loose in the classrooms, especially with the warmer months and ants coming. *We cannot have any candy or "junk food" at school. If your child comes in with candy, please take it home with you upon drop off. Thank you for your help with keeping all of our friends healthy and safe!

Extra clothes

From time to time, children will have potty accidents. We ask that all children have extra clothes in their cubbies, but life gets busy and sometimes parents forget. We have some spares at school, but often times, the borrowed clothes are not returned. If any parents have clothes they are willing to donate to keep our extra clothes stock filled, we would greatly appreciate it!
