Dear Parents,

We have been having a great time at Wee Care! We have been watching the seeds that we planted grow, had graduation photos taken of our pre-k friends, have welcomed some new friends to our program, and are now gearing up for summer.

Keep in mind that Wee Care is a year-round preschool. If you do not plan to stay with us through the summer we do require a two-week written notice. Otherwise, we will plan on your child staying for our fun-filled summer program.

Thank you!  
Diane Martine

DEAR PARENTS:

If you keep your child home from school for any reason, please tell your child's teacher in advance. You may also call or email our school office. We have an answering service 24/7 so you can call day or night and even on weekends.

We plan for your child to arrive each day that he or she is scheduled to attend and this includes preparing lunch. It is very helpful (and cuts down on wasted food!) if we know how many children to plan for.

This is good practice for elementary school when it will be required that you call when your child is out 😊

Thank you!

We plan to celebrate our moms with a special day on Friday, 5/10/19. We will have muffins, coffee and fresh fruit for our wonderful moms in the front lobby (by the school office) from 7:00 am - 9:30am. Please try to stop by with your child in the morning & join us!

## SUNBLOCK

Spring will bring to us stronger rays of sunshine. Please consider applying sunblock to your child each morning before arriving at school. If you are interested in having sunblock reapplied to your child in the afternoons please complete and return a Sunblock 2019 form. Forms are available at the front desk and in the big side kitchen.

# Teacher Appreciation Week

## May 6 – May 10

The week of May 6<sup>th</sup> is Teacher Appreciation Week at Wee Care Preschool. This is a great opportunity to express your gratitude to any of our staff who might have gone above and beyond to help you and/or your child.

*You are welcome to celebrate this week however you choose. If you are looking for some ideas please read below for suggestions.*

**Monday:** Note of appreciation ~ Take a moment to jot down a brief personal note of appreciation to your child's teacher (past or present). Don't worry about a fancy card; it is what you write that counts!

**Tuesday:** Teacher Appreciation Day ~ Wee Care Preschool is providing a special lunch for all staff.

**Wednesday:** Just Desserts ~ Bring in a small dessert, a plate of cookies, muffins, etc., to one of our kitchens when you drop off in the morning. We will set up a dessert bar for the staff to enjoy throughout the day.

**Thursday:** Art from the heart ~ Have your child draw a special picture for their teacher at home. Use this opportunity to discuss with your child how important teachers are. Have your child present their gift to his or her teacher.

**Friday:** Collection of flowers ~ Have your child bring in one or two flowers from your yard at home or a local flower stand to present to their teacher. Teachers will end up with a beautiful bouquet by the end of the day.
