New School Year!

We are looking forward to an exciting year with you and your child. One of the goals at our school is to make your child feel good and comfortable about themselves and be safe. We believe that the ultimate goal for each child is to become an independent lifelong learner. The older children will have homework to act as a guide for them to work at home. Homework is an assessment tool, which enables us to formulate lessons that meet the needs of your child. Please try to have your child at school by **9:00 AM** to begin the academic portion of the day. Although we are not starting the year the way we wanted to, it will not stop us from learning, being safe AND having fun. We look forward to having a great year. Please feel free to come to the office with any questions or concerns. My office hours are from 8am to 5pm.

With COVID still being a big concern we strongly encourage children to wear masks to school, parents wear them at drop off and pick up and to maintain 6 feet of distance. Thank you for your cooperation!

School Closed

We will be closed on Monday, 9/7/20, in observance of Labor Day. Have a safe and Happy Holiday!
