We do not want our graduates to go unnoticed so on June 25th we will have a “Graduation” Ceremony and posting it on Facebook.

Preschool Teacher’s Poem

Although we are not their parent, we care for them each day
We cuddle, sing and read to them and watch them as they play.
We see each new accomplishment and help them grow and learn
They come to us for comfort, we soothe away their tears.
They proudly show their work to us. We give the loudest cheers.
No, we are not their parent, but our role is just as strong,
We know some day the time will come, when we may have to part
But we know each child we have cared for is forever in our hearts.
